## Table of Contents

Ants Everywhere! . . . . . 4

What Do Ants Look Like? . . . . . 5

Groups of Ants . . . . . 9

Watching Ants . . . . . 12

**Ants Everywhere!**  
You can find ants in lots  
of different places.  
You can find them in the grass  
and dirt in your yard.  
You can find them on trees and  
in your home.

Ants swarm food  
left on the floor.

## What Do Ants Look Like?

Ants are insects.

Their bodies have three parts,  
and they have six strong legs.

Ants, Ants, and More Ants • Level G

5

Ants can be different colors.  
They can be black, brown,  
red, green, or yellow.  
Ants have two antennae  
that they use to touch and smell.

6

Ants can be tiny or large.  
Some big ants are as large as a paper clip.  
Ants are very strong for their size.

A very big ant

A very small ant

Some ants have large, strong jaws. They use their jaws to cut food and to fight.

## Groups of Ants

Most ants build nests under or on top of the ground.

Ants, Ants, and More Ants • Level G

9

10

eggs

Different ants in the nest have different jobs. The queen ant lays all the eggs.

Some worker ants take care of  
 the eggs and baby ants.  
 Some worker ants get food.  
 Soldier ants guard the nest.

Ants are amazing animals.  
 You can have fun  
 watching ants at work.
